

EPCC Minutes

September 21, 2009

Decisions:

1. Inquiry language recommendations approved.

Discussion:

1. Discussion about "ownership". Deans have the authority to insist faculty assess for learning outcomes. It needs to be a commitment to the outcome attached to a course by an entire program.
2. Review roster of GE. EPCC has to review GE.
3. Critical Thinking, changes in rubric. Were they made in spring 2008?
4. Gateway will do a sampling on communication in the fall.
5. The disciplines may choose 1 other GEC program outcome per course.
