Discussions/Decisions:

- I. Minutes 2.9.10. EPCC discussed request to modify the minutes. After some discussion, it was decided to table the minutes and continue discussion at a future meeting. MINUTES TABLED (1 nay, 7 yes)
- II. BA 354- APPROVED
  - What terms to be taught? Not sure. Once on campus, then online thereafter.
  - Request to remove first sentence from catalog language.
  - Syllabus missing linking for course objectives tied to assessment. Colleen will ask for revisions.
- III. REL 102 – Missing GEC form. Jeff Johnson will be notified of the form needed. Let it be noted that the form is coming to EPCC but that GEC status has already been given to the course.
- IV. BIOL Program APPROVED
  - Implementation date? Darren will verify with Joe Corsini.
- V. ECED 335, New Course – APPROVED
  - This course is currently being taught. It has been brought forward for a permanent number.
- VI. ED 356, ED 356L – Request for Change, APPROVED
  - Suggest that the catalog language be modified (Carolyn B. has this information)
- VII. MDST - APPROVED
  - This is being brought forward to align the pathways for 2 year/4 year programs. These changes will help with the agreement.
