## Attendance:

Kenn Wheeler  
Sally Mielke  
David Komito  
Tony Tovar

Ruthi Davenport  
Janet Jessup  
Dea Hoffman

## Discussion:

- I. Discussed the sample rubric that was shared at the prior meeting. Ruthie believes it needs to have layers i.e. for grading. Our rubric in this form isn't really a rubric. Committee members agree.
- II. Discussed what is being asked: a. Faculty is being asked to assess curriculum., b. EPCC is being asked to be a broker beginning with Gen Ed.
- III. Tony suggests a test within the Capstone that evaluates how well the student has done. Questions about Gen Ed, length of time at EOU, etc. will be embedded.

## Decisions:

- I. Ruthie will attempt to add a rubric for assessment and provide a sample for the next meeting.
