May 5, 2009

---

## Attendance:

Dea Hoffman	Ellen Krieger
Sally Mielke	Mike Pierce
Darren Dutto	Sarah Witte
Colleen Johnson	Kenn Wheeler

## Decisions:

1. APPROVED minutes dated 4.14.09
2. GEN ED –
  - MDI- EPCC previously voted to eliminate the MDI category from GEC but there were questions about why we deleted it.
  - We should ask ourselves: what objective are we trying to meet with this class when trying to qualify a course for gen ed?
  - As a committee we can't identify the category MDI. Until we can manage it, we shouldn't have it.
  - Do we need the category to accommodate the outcomes in GEC? No.
  - VOTED – APPROVED document with recommended language changes.
3. Dea shares OUS guidelines for a certificate. This document was created at the provost council. The minimum requirement is 36. This will be looked at further and a discussed at a future meeting. This was newly received by Dea and there wasn't time to look into the details.
4. Spanish
  - The SPAN certificate did not meet the minimum 36 credit hour requirement. Postpone this discussion.
  - Dea, Colleen and Spanish faculty will meet to discuss paperwork and work through the housekeeping.
5. Honors
  - Add Language: This course may be repeated twice for a maximum of 3 credits.
  - APPROVED Honors 201
