Decisions:

1. No decisions were made at this meeting as we did not have a quorum.

Discussion:

1. Donald Wolff updates the group on the outcome of the spring GEC pilot assessment program. The program was successful.

- 252 students (20% of campus participated)
- Faculty found the rubric tool useful
- Conversation generated agreement for use of rubric with minor changes/recommendations

2. Donald recommends the next category to be evaluated is the area of communication and is willing to head this up.

3. Sarah notes that a cycle table needs to be created to evaluate programs.
