Request for Change in existing Program/Minor ART (needs additional paperwork)

Discussion items:

1. Discussed updating the EPCC request forms to indicate if the course is DDE only or a combination of DDE/on campus re: budget implications.
2. Discussed the change in the Art program requiring the previous 71 credits and increasing to 83.
3. The question was asked if there is a limit number of credits a major can require for it's program. Discussion will continue at the next meeting.
