Discussion items:

1. Discussed the UWR requirement for the minor. Nancy Knowles will be invited to a future meeting to discuss. Possibly need to identify UWR courses within the minors because of the liberal arts, two minor's option.
2. The Media Arts department will bring back a form stating that students who choose to receive a Media Arts major and minor cannot choose the same concentration and minor (no double dipping).
3. It was requested that the program check sheets be updated to reflect the current graduation requirements.
