Approve New GE Course, THEA 262 - Approved
Approve NEW GE Course, SPCH 340 – Tabled
Approve New GE Course, MUS 305 - Tabled

Change in existing Minor

Approve request for change in existing minor, ART- Approved

Shared Governance

Voted and approved on committee structure for EPCC. The committee will remain the same but will add voting power to the two administrative faculty members on the committee. (Currently the Registrar and a representative from DDE).

Discussion items:

1. Tabled BIOL 244. Questioned the number because it is the same course title as BIOL 234 but offered DDE. Suggested to change the title and identify the audience in the course description. Need to add pre-requisite? Invite Biology faculty to next EPCC meeting.
2. ENGL 339 – approved for both old and new Gen Ed, per email from Nancy Knowles.
3. Tabled SPCH 340. Need New Course request form completed for this course.
4. Span 353, use cover language for course description.
5. Tabled MUS 305. Request for new title.
