New Course/New Gen Ed ART 335- *Approved*

New Course ART 343- *Approved*

New Course BIOL 343 - *Approved*

New Course BIOL 235- *Approved*

## Discussion items:

1. Math Competency was reviewed and it was decided that it be brought forward to the June Assembly.
2. The Voc/Tech credit policy was reviewed. Gerry Ramey from the business department presented and discussed the business departments proposed Voc/Tech policy. The EPCC answered questions he had regarding the previous Voc/Tech credit submitted by Dea. It was decided to bring the original Voc/Tech policy to the June Assembly.
3. The Dual Credit Policy was reviewed and Nancy Knowles discussed the importance of this policy especially if Eastern partners with La Grande High School. Eastern would have no control over the teachers who are selected to teach the classes. This policy will be taken to the June Assembly.
