

Faculty Senate vote for a meeting time for Winter and Spring terms 2008

The vote results are:

Monday = 9

Tuesday = 10

So Tuesday is our designated meeting time.

I have scheduled Tuesday January 8 from 3-5 in Huber as the next meeting. I know there are some complaints about that location but if we are going to be a transparent organization we need the webcast and Huber is the only place right now.

Winter meetings are scheduled January 8, February 5 and March 4. Unless a majority feels otherwise, I see no reason to continue meeting every two weeks, monthly should be enough.
