On average, how many hours per week (excluding time spent in the classroom??) have you spent on this course, including working online, doing readings, reviewing notes, writing papers and any other course related work (how would we use this)?

- under 2 hrs       4-7 hrs       13-18  
 3-5 hrs       8-12 hrs       more than 18

From the total average hours above, how many do you consider were valuable in advancing your education (huh? What is this—educational value calculus)?

- under 2 hrs       4-7 hrs       13-18  
 3-5 hrs       8-12 hrs       more than 18

Was this course intellectually stimulating? Did it stretch your thinking (double-barreled)?

- yes       no       not sure

Could you expand on the answer to the previous question?

What aspects of this course contributed most to your learning?

What suggestions do you have for improving this course? (Do you have any suggestions/comments not covered above?)
